	WATER MAIN & HYDRANT FLUSHING (Monday – Friday)					

WATER MAIN & HYDRANT FLUSHING – Utility personnel release water from hydrants in order to remove sediment from the water distribution system as part of routine maintenance. Flushing is also necessary to test hydrants and valves to make sure adequate flow and pressure is available. During these flushing periods you may experience temporary discoloration of your water. If this happens, please run your cold water tap for a few minutes until the water clears. If it doesn't clear the first time, wait a few minutes and run the water again. It is recommended that you make certain your water runs clear before washing clothes.

▪ Garbage, Trash & Recycling Regulations ▪

Collections may be cancelled during SNOWSTORMS and other WEATHER EMERGENCIES.
After snow events please place your garbage and recycling to the curb or shovel an adequate path to provide safe access.

GARBAGE

Only garbage which is generated in the Borough will be collected from residential and commercial users.

- Collection is limited to three (3) containers per collection date.
- Containers must have handles and cannot exceed 32 gallons in size.
- Loaded containers in excess of 50 lbs. weight will not be collected.
- Containers must be kept sanitary and free of water and ice.
- Containers at the curb should be placed no earlier than the night before and no later than 7:00 a.m. on the collection date. Empty containers cannot be left at the curb overnight or on weekends.
- Except where curbside collection is required (condominiums) containers may also be placed for collection at any accessible site in the rear yard. There will be no collection from fenced yards or where free access is hampered. Call 732-449-5433 and leave a message with your street address to begin this service. Do not place any item in the collection area that is not intended for disposal.

VEGETATIVE WASTE

- **BRUSH** and branches (maximum 6 feet length or 12 inches diameter) can be placed curbside on scheduled dates. This collection is for tree pruning not whole trees. Quantity is limited to a single pile not exceeding 5 feet wide, 5 feet high and 10 feet long. Small clippings (twigs, vines and hedge trimmings) should be separated from larger brush and placed curbside in a sturdy open-top container on scheduled brush collection dates.
- **LEAVES** must be placed loose in piles along the curb or street edge on the weekend prior to scheduled collection and must be at least 10 feet from all storm-water drainage inlets. Leaves CANNOT be mixed with vines, twigs, brush. Bagged leaves CANNOT be collected.
- **GRASS CLIPPINGS cannot be discarded with regular garbage, cannot be placed curbside with brush or leaves, and are not accepted at the Spring Lake Heights Recycling Center.** Residents are encouraged to "cut it and leave it" to improve the health of your lawn. Grass clippings can be taken to the **County Reclamation Center** in Tinton Falls.

RECYCLING

The following materials must be separated for collection:

- **MIXED PAPER** including newspapers, magazines, catalogs, office paper, junk mail, phone books, flattened cardboard and paperboard (cereal boxes) can be placed in the same container for collection. It is not necessary to bundle and tie newspapers or cardboard.
- **BOTTLES & CANS** including plastic, glass, tin or aluminum bottles, jars, cans, lids, tops and empty aerosol containers can be placed in the same container for collection.

Place recyclables in sturdy, open-top containers not exceeding 32 gallons or 50 lbs. weight. DO NOT place recyclables in plastic bags or trash bags.

BULKY TRASH

Any trash which cannot be placed in a container, including household furniture and appliances, can be placed curbside for collection on scheduled **BULKY TRASH** dates.

- **APPLIANCES** and electronics (TVs, computers) should be placed curbside for collection on **BULKY TRASH** dates. Please remove refrigerator doors.
- **CONSTRUCTION DEBRIS:** only small quantities generated by homeowners performing routine maintenance on their homes will be collected on **BULKY TRASH** dates. Concrete material or bricks should be placed in a sturdy container not exceeding 50 lbs.

OTHER ITEMS

- **BATTERIES** (9 volt, C, D, AA, AAA) can be discarded with regular garbage.
- **PAINT CANS** (empty) and dried latex paint should be discarded with regular garbage.
- **MOTOR OIL** can be taken to any motor vehicle re-inspection station.
- **TIRE** disposal (free) is available at the **Monmouth County Reclamation Center** in Tinton Falls. Resident ID is required.
- For disposal of **pesticides, fertilizers, motor oil, antifreeze, pool chemicals, car batteries, gasoline and oil paints** call 732-683-8686 for details to take these items to the **Monmouth County Permanent Household Hazardous Waste Facility** in Tinton Falls.

Spring Lake Heights ▪ RECYCLING CENTER ▪ 555 Atlantic Avenue

Open Monday-Saturday 8:00 a.m. - 2:00 p.m.

Use of the Recycling Center is restricted to Spring Lake Heights residents and property owners.
