

Spring Lake Heights Environmental Commission

MEETING MINUTES

04-25-2024

In attendance:

Gaylen Nolan
Richard Thumann
Elizabeth Maricic
Lawrence Tenza

Richard took the meeting minutes.

Motion to open the meeting at 7:35 – Rich, seconded by Elizabeth, All in favor.

Main discussion regarded the entries from the school for the logo contest. By consensus, the following was decided.

The commission will give out two Grand Prizes. Ava and Sunny will get a grand prize.

The next prize would go to Ashlyn.

Action:

- 1) Rich Thumann to contact the school regarding the winners.
- 2) Rich Thumann to ask if Sunny's entry can be modified and to have Ava's bird and butterfly put onto Sunny's entry for the combined logo.

The Environmental Resource Inventory was briefly discussed. The next working version of this is to be placed on a shared drive. No immediate action.

It was also discussed that the Environmental Commission should work on ways to be more involved in the process of the town when environmental issues are involved. A suggestion on reporting out what the commission has done from time to time a council meeting would be a first good step.

The meeting adjourned at 7:55, with group consensus.

No members of the public were in attendance.
