Chapter 12. Streets, Sidewalks and Sanitation

§ 12-4. GARBAGE AND RUBBISH.

§ 12-4.1. Regulations for Collections.

[Ord. #9-1987, § 1]

By virtue of this section, the Mayor and Council may from time to time adopt resolutions which set forth the regulations that are to be followed with respect to the collection of garbage in the Borough. With respect to the collection of garbage in the Borough, the obligation of the Sanitation Department shall be limited to the collection, on each designated collection day, of three 30 gallon containers of garbage or trash or receptacles equivalent to 30 gallons with no container or receptacle to weigh in excess of 50 pounds. The foregoing limits shall be applicable to every pickup within the Borough without regard to whether the location may be a residential, commercial or apartment complex pickup. The Sanitation Department shall not pick up any dumpsters or other large containers of garbage that would cause it to deviate from the foregoing regulations.

§ 12-4.2. Location of Receptacles.

[Ord. #2-1966, § 36-5; New]

No person shall keep any garbage or trash receptacles outside of the lot line of their property or on the sidewalk or curb, after the prescribed time for collection has passed. At no time shall trash receptacles be stored in the streets.

§ 12-4.3. Disposal of Garbage into Sewer System Prohibited.

[Ord. #2-1966, § 36-11]

No person shall dispose of garbage, kitchen refuse or similar matter through any portion of the sewage system which connects with the sewage system of the Borough.
